What is the minimum OTD requirement for Tier-1 suppliers?

policy_search

supplier_search

policy_search

supplier_search

Based on the retrieved information, Ostwind Composites AG holds the following certifications: ISO 9001, ISO 14001, and REACH. These certifications are mandatory for their product category, Raw Materials, and are required for Tier-1 suppliers. The company's Sustainability Score is 79, which is below the minimum required score of 80 for Tier-1 suppliers. Therefore, Ostwind Composites AG is required to submit a Sustainability Improvement Plan (SIP) within 45 days of audit notification.
